The new building at the **Switchpoint Community Homeless Shelter** has been completed. This adds 15 new family rooms to the shelter, plus a real commercial kitchen and expanded dining area! Those who have worked in the kitchen know a larger space is desperately needed. The family rooms on the second floor of the new building will free up the full space for up to 86 single adults in addition to families in need of emergency shelter.

Please join us at the official Ribbon Cutting Ceremony and tours of the new building on:
