Unstatus Quo Trauma 101

When you open, you bring more energy into the system, and it can heal.

Energy can heal, and that's why love can heal.

August 11th Trauma 101

It is crucial that we begin to discuss the often taboo topic of trauma in our Spiritual communities if we are to support every individual's right to a grand rising. Very few, if any, people are immune to trauma, including individual experiences of abuse, ACEs (Adverse Childhood Experiences), poverty, medical trauma, or collective experiences of war, displacement, terrorist attacks, mass shootings, and natural disasters, to name just a few. Science of Mind provides a strong foundation of principles to support and facilitate healing, and yet we must go beyond knowing Truth in Spiritual Mind Treatment to acting in ways that promote healing, wholeness, and compassion in our communities.

**THIS SERVICE IS IN-PERSON (and online) AT THE MASONIC LODGE.
