SWITCHPOINT Service Project

For 2025 we will start with one dinner service a month: Second Tuesdays of each month will make for easier planning for our team and for

Switchpoint. This will begin in February. The first two dates for our team are February 11 and March 11. If this works out we have the option of committing to second Tuesdays going forward. By March, we should be using the new larger industrial kitchen in the new building.

There are many service opportunities and projects in town. If you have other ideas please contact Tim or talk to a member of Core Council. In the meantime we are always looking for new team members!
