# Sticking the Landing Flowing Ground Week of December 15

**There are no fixtures in nature. The universe is fluid and volatile. Permanence is but a word of degrees. Our world seen by God is a transparent law, not a mass of facts. The law dissolves the fact and holds it fluid.**

*December 15th  
Flowing Ground*

We think of our world as solid, but Holmes reminds us that “we are dealing with a fluent force.” We can learn to

flow with liquid law and not be stopped by appearances of solidity. It takes a shift of consciousness and a grounding in Truth Principles to look “solid facts” in the eye and say, “You are not so real after all!” Just as we have come to understand that thoughts are things, we also become aware that things are thoughts in form. Change the thoughts, change the things.
