Practice Makes Imperfect
What if perfection isn't the goal?
Week of July 7th

Stop trying to "fix" yourself; you're not broken!
You are perfectly imperfect and powerful beyond measure.

~ Steve Maraboli, *Unapologetically You*

What If Perfection Is Not the Goal?

In this week's talk, we explore the liberating idea that perfectionism may actually hinder our personal and spiritual growth. We delve into how the pursuit of perfection often paralyzes us, preventing us from taking action and experiencing the richness of life. By examining the ways in which perfectionism holds us back and prevents us from taking action, we can discover a new perspective that embraces our imperfections as essential aspects of our journey. We will explore the transformative power of letting go of perfectionism and embracing a more compassionate and authentic approach to life.
